

Notice to candidates

Malpractice in ICT Practical Assessments

CIE would like to remind candidates and centres that the same penalties for cheating and collusion apply to the ICT practical papers for syllabuses 0417 and 9173 as apply to all other assessments. Candidates who are found to have engaged in any form of malpractice will have their grade withheld.

CIE would also like to remind candidates that it is an offence to be copied from. Candidates must save their work in an area that is secure and which can not be accessed by other candidates; your grade is at risk if you do not take all reasonable steps to ensure that your work is not copied by other candidates.

Candidates should be aware that CIE go to considerable lengths to identify cases of malpractice in these assessments.
